CATALOGUE

WHO ARE EGUCHI IWAO

Founded in 1907, this company has evolved into a leading provider of paints, coatings, and specialty materials in Japan. After 18 years of successful growth across Asia, Eguchi Iwao South Africa was established in 2012, followed by the inauguration of a European branch in the UK in September 2019.

The company's operations in Japan and Europe are closely associated with several major global coatings manufacturers. These partnerships have enabled the company to consistently deliver advanced paint products and solutions, building a strong reputation for reliability and quality.

The European division is committed to maintaining this standard of excellence. It collaborates with innovative companies known for their expertise in the industry, like Kovax, and has expanded its services to cover additional business sectors throughout Europe.

POLISHING ESSENTIALS

AllChem, with a history spanning over sixty-five years, is a trusted name in car care and maintenance solutions. Their focus on nanotechnology research has led to the development of a range of professional products that are now used globally. The System is used by Ferrari, Pagani and other high-end super-cars.

The Virtus product line, recognised for its hologram-free polishing and reliable results, reflects their commitment to quality. An emphasis on environmental sustainability is a key aspect of their product design and development process.

We have selected the essential collection for all your OEM and detailing needs.

PRODUCT TRAINING

Our company prioritises staff training to ensure not only the sale of AllChem products but also their proper demonstration and usage. This approach guarantees optimal results for both you and your customers.

We are also committed to recommending the most suitable products for each specific task, ensuring that our expertise translates into tangible benefits for your projects. This dedication to thorough training and tailored product selection underscores our commitment to excellence in customer service and satisfaction.

We collaborate with paint manufacturers, automotive factories, independent producers, and industry representatives, fostering a functional working experience for our clients through these partnerships.

Our commitment is to guide you in selecting premier brands and products that meet your needs, identify application solutions that align with your process layout and environmental regulations, and address any challenges that emerge, thereby ensuring mutual growth and enhancement.
